MERAV'S KEYNOTES

SEXY AT ANY SIZE

How to Love the Body You're In and Be the Most Confident, Creative, Ecstatic Version of You

Even in this new era of feminism and mindfulness, we still find plenty of excuses for why our bodies aren't good enough, and, by default, why WE aren't enough. Why should we even care about feeling sexy?

Sexy has nothing to do with how you look... it's vitality, confidence, and a quality of magnetism that says, "I'm worth it!". There is so much more to you than your size, so free yourself from it to be the most confident, creative and ecstatic version of you!

- Gain a meaningful understanding of what "sexy" is and what it is not.
- See themselves in a completely new light.
- Learn the true power of sexy and unlock a sexy part of yourself.
